

Six-month Social Work Positions in Tanzania

NASW is seeking candidates to fill two positions in Tanzania to support our partnership with the Tanzania Social Workers Association (TASWA), funded by the American International Health Alliance. One **Senior Level International Social Work Volunteer** will provide technical assistance and mentorship to TASWA in order to build program, finance and human resource capacity. The second volunteer will provide technical assistance and mentorship to the Emerging Schools of Social Work Program in Tanzania. For more information about volunteer responsibilities and qualifications, please visit [here](#).
